"She (June) said it just as a fact, you know," Mrs. Porter said. "Something she knew and should perhaps tell.

"The first week Junie went to school, I talked to her about it," Mrs. Porter said. "I was afraid if somebody told her before me, she would be hurt more."

LEE HARVEY OSWALD married Marina in Russia two years before he assassinated President Kennedy in Dallas Nov. 22, 1963. Marina and **KENNETH JESS PORTER**, 32, were married in June 1965. Marina was 29 last Saturday. In addition to June and Rachel, 6, children by Oswald, Marina has a son by Porter, Mark, 4. They live in Richardson, a Dallas suburb.
